

5591 Bano wall grab bars L shape

bilde mangler

5591 Bano wall grab bars L shape

The Bano wall grab bars features an angled shape, which makes it extremely versatile. The grab bar is available angled to the left or to the right.

Delivered without joints for improved hygiene and simpler installation. It is coated with anti-bacterial puro-coat for optimal grip. Bano supplies a moveable shelf specially designed for the shower rail and grab bars.

Load tested up to 500kg.

Materials

- Anti-bacterial powder-coated aluminum, nylon and stainless-steel screws
